A1 All papers must be original and must not have been published elsewhere, before or after the conference.
A2 All authors and co-authors must inform their Head of Department/Principal/Guide about the submission of their paper to GSRD conferences.
A3 All authors and co-authors must state their correct affiliations in the paper.
A4 Papers submitted after the last date of submission may not be considered by the Organizing Committee.
A5 All GSRD conferences follow a blind peer-review process; each paper is reviewed by three subject-expert reviewers.
A6 GSRD may choose not to publish the e-mail addresses of authors or co-authors online.
A7 After registration, GSRD will not add, modify or delete any author's or co-author's name in the paper without a No Objection Certificate (NOC) from all authors and co-authors listed in the paper.
A8 GSRD does not publish unregistered papers received for its conferences.
A9 GSRD is not responsible for verifying the authorship of a paper. The person who submits the paper will be treated as its original author.

A10 If GSRD receives a complaint about the authorship of a paper and the GSRD management team finds it valid, the paper will be suspended from publication immediately.

A11 GSRD will not republish or distribute any suspended paper from the date of suspension.

A12 Visa information: It is the delegate's sole responsibility to check the visa requirements of the host country and to apply for a conference visa, if necessary. A visa invitation letter can be issued only after successful registration. GSRD is not responsible for obtaining any kind of visa, will not contact any embassy or send letters on behalf of participants, will not share any local person's contact details, and will not issue a letter of guarantee for obtaining a visa.

A13 Failed visa applications: If a visa application is rejected, the registration fee will not be refunded. However, the registration fee may be transferred to another conference.

A14 GSRD does not act as guarantor for any participant during their visa period in any country.

B - Attending GSRD International/National Conferences

B1 All participants must register before arriving at the venue by paying the fee stated on the registration page of the official conference website, or as specified in a written letter from the Organizing Secretary.

B2 Participants should regularly follow the official conference website for the latest information about the event.

B3 The organizer may change the venue and date at any time before the conference. In such a case, only registered participants will be informed by e-mail and phone.

B4 GSRD is not responsible for refunding travel tickets or any other financial loss to participants if the conference is cancelled or rescheduled to another place or date. The registration amount will be transferred to another conference organized by GSRD or its sister organizations, or it may be refunded after deduction of transaction/secretarial charges, at the discretion of GSRD management.

B5 Online conference: GSRD may move the conference online due to unforeseen circumstances (such as a pandemic, travel restrictions or natural disasters) in any country. In such a case, no registration amount will be refunded.

B6 Participants must not share their online conference login ID and password with anyone who is not registered.

B7 Participants must switch on their video camera while presenting their paper and during the group photo in an online conference.

B8 Participants must bring an original photo ID (passport for international participants) to the conference. Participants without valid ID will not be allowed to attend.

B9 If conference kits run short, the organizing team may not provide a kit at the venue. In such cases, GSRD will send the conference kit by post/courier after the conference.

B10 Participants who arrive at the venue after the reporting time will not be allowed to present or participate in the conference.

B11 Participants must not use the event for protests, political activism or any activity unrelated to the conference.

B12 GSRD reserves the right to publish photographs of conference participants on any platform at any time for promotion and record purposes.

B13 Participants must not engage in any kind of violence inside or outside the venue before, during or after the event.

B14 GSRD reserves the right to publish recorded videos and photographs of the conference/webinar/seminar on social media platforms and YouTube channels.

C - Publication in GSRD International Journals and Associated Scopus/WoS/SCI/Google Scholar Indexing Listed Journals

C1 GSRD reserves the right to select papers from the conference for publication in international journals.

C2 Publication in Scopus-indexed, WoS, Google Scholar Indexing listed, SCI-indexed or other associated journals: On the author's written request, GSRD can submit the paper to such journals. The author will have to pay the entire publication cost/APC of the particular journal. Review and publication may take 1 to 12 months.

C3 GSRD acts only as a mediator and consultant for publication in its associated journals. Authors are encouraged to verify the authenticity and validity of the journal's home page and its Scopus/Google Scholar Indexing, using their own sources, before giving any paper to GSRD for processing.

C4 It is the author's sole responsibility to check the journal's ISSN, indexing and impact factor on the journal's home page, Google Scholar Indexing, Scopus, WoS, SCI or other sources.

C5 GSRD is responsible only up to the publication of the paper in the respective journal. It is not responsible for later indexing of papers by any indexing agency (Scopus, WoS, etc.).

C6 GSRD is not responsible if any journal is declared a clone or fake journal by Scopus, WoS, Google Scholar or any indexing or government agency. No money will be refunded, now or in the future, for papers published in such journals through the GSRD publication service.

C7 Fees paid to attend GSRD conferences will not be refunded if the registered paper is not selected for a Scopus/WoS/Google Scholar Indexing/SCI journal, or if the author chooses not to publish in an GSRD-associated international journal after the conference.

C8 GSRD may accept papers from its own or associated conferences for publication in GSRD-associated international journals after the authors extend the paper by at least 20%.

C9 GSRD takes 25 to 60 days to complete the second-round review for GSRD-associated international journals after the conference.

C10 All GSRD-associated international journals have an ISSN.

C11 Authors must pay the hard-copy charges to receive a printed copy of the journal.

C12 The editorial board reserves the right to reject any paper for journal publication after the second round of review (after the conference/seminar). If the paper is rejected, the conference registration fee will not be refunded.

C13 GSRD reserves the right to select or reject any paper from its collaborating conferences. The decision of GSRD management will be final.

D - Plagiarism Policy

The plagiarism policy ensures that authors give due credit to other authors when referencing, and it protects the academic integrity of the research community.

D1 All papers submitted for publication are checked with plagiarism-detection software to verify their originality and similarity percentage. Papers that fail to meet the criteria are returned to the author for revision.

D2 If plagiarism is detected just before publication, the author will be given a chance to resubmit the paper after making the changes suggested by the editor. If the editor considers the plagiarism a major issue, the paper will not be considered further for publication.

D3 If plagiarism or a fake identity is suspected or detected after publication, the paper will be removed from the website until verification is complete. If only a few paragraphs are plagiarized, the author will be given a chance to revise the paper, and it will be restored to the website after the editor's approval.

D4 If GSRD decides that plagiarism or a fake identity is a major issue in a published paper and it seriously violates the copyright of others, the paper will remain withdrawn, and the author will be penalized and blacklisted by GSRD and other conference organizers for life. The removal will be noted on the journal website, and indexing services will be notified.

D5 Authors who republish their earlier published work (self-plagiarism) will be dealt with by the same procedure.
